EDUCATION

LOVELY PROFESSIONAL UNIVERSITY, Phagwara, Punjab **2023-2027**

B. Tech Computer Science and Engineering CGPA – 7.42/10

Dynamic and driven third-year B-Tech student at Lovely Professional University, majoring in Computer Science Engineering. Passionate about software development and eager to expand my knowledge in web development. Actively learning multiple programming languages to enhance my skills and develop different projects to solve problems in an effective manner.

VIDYASAGAR SHISHU NIKETAN, Midnapore West Bengal **2022-2023**

Higher Secondary

PROJECTS

Virtual Zoo | Alpha Safari **August 2025**

Website development **Link**

- Developed an **interactive Virtual Zoo application** for alphabet learning with animal details, audio descriptions, and real-time search/filter functionality.
- Built a **secure authentication system** with user registration, login, and password reset flows using **JWT** for safe data exchange.

Skills: React, Node.js, ExpressJS, MongoDB, Vercel.

Maze Solver |BhulBhulaya **July 2025**

Website development **Link**

- Developed an **interactive maze solver visualizer** with dynamic maze generation, animated pathfinding, and integrated time and space complexity panel.
- Implemented **classic algorithms** including DFS, BFS, Dijkstra, A*, and Greedy Best-First Search with adjustable animation speed controls.

Skills: Html, Tailwind CSS, VanillaJS, Node.js, Express, Vercel.

Showcase WestBengal Culture | BengalFusion **July 2025**

Website development Link

- Developed a **multi-page React application** showcasing West Bengal's art, food, festivals, and tourist destinations with responsive navigation and footer.
- Created interactive flip cards, hero carousel and testimonial section to enhance user engagement and visual appeal.

Skills: React, ExpressJS, TailwindCSS, Vercel.

CERTIFICATES/ACHIEVEMENTS

- Achieved 4th place in **Open Source Connect India** 2025 through consistent debugging and exploration of new technologies; secured 32nd rank in Social Summer of Code by contributing to major open-source projects and demonstrating strong collaborative skills
- **Earned NPTEL certification in Cloud Computing,** demonstrating foundational knowledge in cloud technologies and best practices
- **Attained 5-star rating in Java on HackerRank by excelling in algorithmic challenges and problem-solving exercises**.
- Maintained a 50-day Leetcode streak badge, showcasing consistent dedication to mastering algorithmic and data structure skills

TECHNICAL SKILLS

- **Programming Languages:** C++, C, Java, JavaScript
- **Web Technologies:** MERN Stack (MongoDB, Express, React, Node.js), Next.js
- **Databases:** MongoDB, SQL
- **Tools & Version Control: Git, GitHub**
- **Cloud & Deployment: Vercel**
